Item 1.01 Entry into a Material Definitive Agreement.

On March 1, 2016, iRobot Corporation (the “Company”) entered into an accelerated share repurchase (“ASR”) agreement with J.P. Morgan Securities LLC, as agent for JPMorgan Chase Bank, National Association, London Branch (“JPMorgan”), to repurchase an aggregate of \$85 million of the Company’s common stock. The ASR agreement was entered into as part of the Company’s previously announced 2016 share repurchase program, pursuant to which the Company plans to repurchase over \$100 million of its common stock.

Pursuant to the terms of the ASR, which is documented under a Master Confirmation (the “Confirmation”), the Company will make an \$85 million payment to JPMorgan in April 2016 and will at the same time receive from JPMorgan an initial delivery of shares of the Company’s common stock in an amount representing up to 80% of the total value of the transaction based on market prices. The final number of shares to be repurchased by the Company will be based on the daily volume-weighted average stock price of the Company’s common stock during the term of the transaction, less a discount and subject to adjustments pursuant to the terms and conditions of the Confirmation. At settlement, under certain circumstances, JPMorgan may be required to deliver additional shares of common stock to the Company, or under certain circumstances, the Company may be required to deliver shares of common stock or to make a cash payment, at its option, to JPMorgan. The final settlement of the transactions under the ASR is scheduled to occur no later than Q3 2016 but may be terminated early in certain circumstances.

The Confirmation contains customary terms for these types of transactions, including, but not limited to, the mechanisms to determine the number of shares or the amount of cash that will be delivered at settlement, the required timing of delivery of the shares, the specific circumstances under which the transactions may be terminated prior to their scheduled maturities and various acknowledgements, representations and warranties made by the Company and JPMorgan to one another. The terms of the ASR are subject to adjustment under the agreement if the Company were to enter into or announce certain types of transactions or to take certain corporate actions.

The foregoing description of the Confirmation does not purport to be complete and is qualified in its entirety by reference to the Confirmation, a copy of which will be filed with the Company’s quarterly report on Form 10-Q for the fiscal quarter ending April 2, 2016.

From time to time, JPMorgan and/or its affiliates have directly and indirectly engaged, and may engage in the future, in investment and/or commercial banking transactions with the Company for which they have received, or may receive, customary compensation, fees and expense reimbursement.

Item 7.01 Regulation FD Disclosure.

iRobot to Repurchase \$85 Million of its \$100 Million Authorization in an Accelerated Stock Repurchase Transaction

BEDFORD, Mass., March 1, 2016 - iRobot Corporation (NASDAQ: IRBT) today announced that it has entered into an accelerated stock repurchase agreement (“ASR Agreement”) with JPMorgan Chase Bank, N.A. to repurchase an aggregate of \$85.0 million of iRobot’s common stock. The ASR Agreement was entered into as part of the Company’s previously announced 2016 stock repurchase program, pursuant to which the Company plans to repurchase over \$100 million of its common stock.

“We are pleased to initiate this accelerated stock repurchase as we continue to execute on our capital return program and our specific goal of repurchasing \$100M of common stock by the end of 2016,” said Colin Angle, iRobot chairman and chief executive officer. “The Board and the management team remain committed to returning capital to stockholders while investing to grow the business in order to create stockholder value.”

The final number of shares to be repurchased will be based on the volume-weighted average stock price of iRobot’s common stock during the term of the transaction, less a discount and subject to adjustments pursuant to the terms and conditions of the ASR Agreement. The Company is partially funding the accelerated share repurchase with proceeds from its recently announced divestiture of its Defense & Security business unit, which is expected to close no later than April 30, 2016.

The final settlement of the transactions under the ASR Agreement is scheduled to occur in the third quarter 2016.
